Personal Insurance

At Brooks, we develop a close partnership with our clients to help them prepare for an uncertain and changing future. We work with our clients to understand their individual needs and help them find ways to anticipate and exercise control over future events that may disrupt their lives.

Products and Markets

Our Products include: Auto, Home, Boats, Motorcycle, Collectors Items, Commercial Packages, Business Insurance, Church Insurance, Day Care, Schools, Non-Profit Organizations and Associations, Health, Life, Medicare Supplements, Annuities, Bonds, Surplus Lines, Catastrophic Coverage, and Public Entities.

Experience, Innovation, Technique, and Service

Experience, Innovation, Technique, and Service has proven to be our edge in the markets that we have targeted for sales. Our team has experience in Real Estate, Construction, Risk Management, Technology, Contracts and Coverage. Fitting the coverage for the individual and corporate need is critical and, if properly formed creates an affordable product that supplies the coverage that is particular for the risk. Insurance was never designed to remove all risk from the client, but is a product that partners in sharing the potential loss. We endeavor to examine the risk and fit the need with affordable coverage.

Growth Stage Company

Corlis L. Dees II
